PRESS RELEASE

Society of Accredited Marine Surveyors® , Inc.

FOR IMMEDIATE RELEASE

Bill Trenkle, an Accredited Marine Surveyor of San Diego, CA has been elected **Vice President of Public Relations** by the *Society of Accredited Marine Surveyors® Inc.* By virtue of this title he also serves on the organization's Board of Directors.

SAMS® is a 1000+ member, international organization dedicated to enhancing the profession of marine surveying through communication, cooperation and education. Members must abide by a code of ethics and participate in a program of continuing education. *AMS®* members are surveyors who have accumulated time in the profession and have demonstrated the technical skills necessary for designation as Accredited Marine Surveyors. Surveyor Associates are practicing surveyors who are working toward receiving their *AMS®* designation. Affiliate members are non-surveying individuals and/or businesses providing products or services to the marine industry.

Other officers elected:

President	Joseph B. Lobley, <i>AMS®</i> of Waldoboro, ME
Executive Vice President	Stuart McLea, <i>AMS®</i> of Halifax, Nova Scotia, Canada
Secretary/Treasurer	Lloyd Kittredge, <i>AMS®</i> of Chesterton, IN
Vice President - Meetings/Conventions	Paul Logue, <i>AMS®</i> of Scituate, MA
Vice President - Membership	George J. (Jim) Sepel, <i>AMS®</i> of Juneau, AK
Vice President - Education	Kenneth Weinbrecht, <i>AMS®</i> of Long Island, NY
Vice President - Testing	Alison Mazon, <i>AMS®</i> of Portland, OR

In addition to the members listed above, the organization's Board of Directors includes:

George Gallup, *AMS®* - Immediate Past President
