

Maxwell Todd Schwede Earns CFE Credential

Austin, Texas – (10/25/2018) — The Association of Certified Fraud Examiners (ACFE), the world's largest anti-fraud organization and leading provider of anti-fraud training and education, is pleased to award Maxwell Todd Schwede, of San Diego, CA, the globally preferred Certified Fraud Examiner (CFE) credential. In order to become a CFE, Mr. Schwede has met a stringent set of criteria and passed a rigorous exam administered by the ACFE.

Mr. Schwede has successfully met the ACFE's character, experience and education requirements for the CFE credential, and has demonstrated knowledge in four areas critical to the fight against fraud: fraudulent financial transactions, fraud prevention and deterrence, legal elements of fraud and fraud investigation.

Mr. Schwede joins the ranks of business and government professionals worldwide who have also earned the CFE certification. Mr. Schwede is currently an Accident Investigator and Marine Surveyor for Todd & Associates, Inc., in San Diego, CA.

CFEs have the ability to: examine data and records to detect and trace fraudulent transactions; interview suspects to obtain information and confessions; write investigation reports; advise clients as to their findings; testify at trial; understand the law as it relates to fraud and fraud investigations; and identify the underlying factors that motivate individuals to commit fraud. A.E. Feldman, a leading executive search firm, states that the CFE "has emerged as the gold standard in the area of fraud."

About the ACFE

The ACFE is the world's largest anti-fraud organization and premier provider of anti-fraud training and education. Together with more than 75,000 members, the ACFE is reducing business fraud world-wide and inspiring public confidence in the integrity and objectivity within the profession. For more information about the ACFE visit ACFE.com.

###

Globally preferred by employers, the Certified Fraud Examiner (CFE) credential denotes proven expertise in fraud prevention, detection, deterrence and investigation. Read more about the CFE credential on the ACFE's website, ACFE.com.
